

Wallmate Surface

Wallmate Surface can be mounted on top of drywall, concrete or block walls, to easily install a single panel and peripheral equipment. This system was designed to save time at every stage of the construction process from start to finish.

KEY BENEFITS

- Removable device mount plates = Allows quick exchange service and assembly line style, off-site preparation
- Separate back can for Electrical / G.C installation as needed
- 2" from back of display to wall = Assists with ADA Compliance
- Able to mount displays from 55" to 75"
- Swing Left or Right
- Built to the strength and rigidity that RPV is known for
