

Wallmate TUP

Wallmate TUP can be mounted on top of drywall, concrete or block walls, to easily install a single panel and peripheral equipment. This system was designed to save time at every stage of the construction process from start to finish.

KEY BENEFITS

- Removable device mount plates = Allows quick exchange service and assembly line style, off-site preparation.
- 2" from back of display to wall = Assists with ADA Compliance
- Can Mount displays from 75" to 100"
- Built to the strength and rigidity that RPV is known for
- Lift Assist to allow easy access to even large displays
